

Gem Public Sr. Sec. School
Annual Report Session - 2020-21

The year 2020 was the year of pandemic, face masks, hand sanitizers but also the year of self-discovery. It was no less than a roller coaster ride for students as well as teachers. Despite all the challenges our Gemenites proved their mettle in academics as well as extra-curricular activities. This Annual Report enumerates the labour of love, activities and achievements of the school during the academic year 2020-21.

Students took to online mode of learning as fish take to water. Their enthusiasm encouraged teachers also to find new innovative methods of teaching. Online examinations were held time to time in order to give a continuous and comprehensive assessment of learning. Online Olympiads gave the students a chance to test their potential in different subjects. Offline Annual Exams were held for classes IX and XI, while classes X and XII got a reality check of their learning through the offline Pre-Boards. Offline Practical were also organised for class XII keeping an utmost care to follow safety protocol.

Students participated in the celebrations of all the festivals like World Tobacco Day, Labour Day, Independence Day, Teachers' Day, Dussehra, Christmas and Republic Day from the confines of their homes. Regular online yoga sessions were conducted throughout the year which helped the students keep stress at a bay.

This year has taught us how to remain calm and composed in the face of adversity. We hope that our Gemenites achieve new glories in the session 2021-22 as well.
